

the State Board of Education, and shall be expended by the State Board of Education in the respective counties, and cities and towns which paid in such funds. Such expenditures shall be

for the support of State established public schools in the county, city or town involved and for no other purpose.

EDUCATION

Public Schools—Virginia

Chapter 70 of the acts of the 1956 Extra Session of the Virginia General Assembly, approved September 29, 1956, enacts a "pupil placement act" to be administered by a Pupil Placement Board provided by the act. Provision is made for the procedure of the Board and review of its decisions. The act provides criteria to guide the Board in the placement of pupils and provides that no pupil may transfer to a new school in his area without approval of the Board.

CHAPTER 70

An Act to create a Pupil Placement Board and confer upon it powers as to enrollment or placement of pupils in the public schools and determination of school attendance districts, and to provide for administrative procedure and remedies for pupils seeking enrollment in a school or a change from one school to another school.

Be it enacted by the General Assembly of Virginia:

§ 1. All power of enrollment or placement of pupils in and determination of school attendance districts for the public schools in Virginia is hereby vested in a Pupil Placement Board as hereinafter provided for. The local school boards and division superintendents are hereby divested of all authority now or at any future time to determine the school to which any child shall be admitted. The Pupil Placement Board is hereby empowered to adopt rules and regulations for such enrollment of pupils as are not inconsistent with the provisions hereinafter set forth. Such rules and regulations shall not be subject to Chapter 1.1 of the Title 9 of the Code of Virginia, the short title which is "General Administrative Agencies Act". The Pupil Placement Board and any of its agents hereinafter provided for shall have authority to administer oaths to those who appear before said Board or any of its agents in connection with the administration of this act.

§ 1a. There is hereby created a board to be known as the Pupil Placement Board which shall consist of three residents of the State appointed

by the Governor to serve for terms to expire at the expiration of the term of the Governor making the appointment. Members of the Board shall receive as compensation for their services a per diem of twenty dollars for each day actually spent in the performance of their duties and shall be entitled to reimbursement for their necessary expenses incurred in connection therewith.

§ 2. The Pupil Placement Board may designate, appoint and employ such agents as it may deem desirable and necessary in the administration of this act. It may authorize such agents to hold the hearings hereinafter provided for and take testimony and submit recommendations in any and all cases referred to them by said Board.

§ 2a. For the conduct of such hearings and to facilitate the performance of the duties imposed upon it and its agents under this act, the Pupil Placement Board is authorized to promulgate all such rules and regulations and procedures and prescribe such uniform forms as it deems appropriate and needful and to require strict compliance with the same by all persons concerned.

§ 3. The Pupil Placement Board in enrolling each pupil in a school in each school district shall take into consideration:

(1) The effect of the enrollment on the welfare and best interests of such child and all other children in said school as well as the effect on the efficiency of the operation of said school.

(2) The health of the child as compared to other children in the school.

(3) The effect of any disparity between the physical and mental ages of any child to be enrolled especially when contrasted with the average physical and mental ages of the group with which the child might be placed.

(4) Availability of facilities.

(5) The aptitude of the child.

(6) Availability of transportation.

(7) The sociological, psychological, and like intangible social scientific factors as will prevent, as nearly as possible, a condition of socioeconomic class consciousness among the pupils.

(8) Such other relevant matters as may be pertinent to the efficient operation of the schools or indicate a clear and present danger to the public peace and tranquility affecting the safety or welfare of the citizens of such school district.

§ 4. After the effective date of this act, each school child who has heretofore attended a public school and who has not moved from the county, city or town in which he resided while attending such school shall attend the same school which he last attended until graduation therefrom unless enrolled, for good cause shown, in a different school by the Pupil Placement Board.

§ 5. Any child who desires to enter a public school for the first time following the effective date of this act, and any child who is graduated from one school to another within a school division or who transfers to a school division, or any child who desires to enter a public school after the opening of the session, shall apply to the Pupil Placement Board for enrollment in such form as it may prescribe, and shall be enrolled in such school as the Board deems proper under the provisions of this act. Such application shall be made on behalf of the child by his parent, guardian or other person having custody of the child.

§ 6. Both parents, if living, or the parent or guardian of a pupil in any school in which a child is enrolled by action of the Pupil Placement Board, if aggrieved by an action of the Board, may file with the Board a protest in writing within fifteen days after the placement of such pupil. Upon receipt of such protest the Board shall hold or cause to be held a hearing, within not more than thirty days, to consider the pro-

test and at the hearing shall receive the testimony of witnesses and exhibits filed by such parents, guardians or other persons, and shall hear such other testimony and consider such other exhibits as the Board shall deem proper. The Board shall consider and decide each individual case separately on its merits. The Board shall publish a notice once a week for two successive weeks in a newspaper of general circulation in the city or county wherein the aggrieved party or parties reside. The notice shall contain the name of the applicant and the pertinent facts concerning his application including the school he seeks to enter and the time and place of the hearing. The Board shall, within not more than thirty days after the hearing, file in writing its decision, enrolling such pupil in the school originally designated or in such other school as it shall deem proper. The written decision of the Board shall set forth the findings upon which the decision is based. Any parent, guardian or other person having custody of any child in the particular school in which a child is enrolled by action of the Board shall be deemed an interested party and shall have the right to intervene in such proceeding in furtherance of his interest.

§ 6a. Any party aggrieved by a decision of the Pupil Placement Board under this act, or any party defined as an interested party in § 6 may obtain a review of such decision by filing an application in writing for a review thereof with the Governor within fifteen days after such decision. Such application shall be by a petition in writing, specifying the decision sought to be reviewed, and the actions taken by the Pupil Placement Board, together with a statement of the grounds on which the petitioner is aggrieved or by reason of which he is an interested party. The petitioner shall file with his petition a copy of the decision of the Pupil Placement Board and a transcript of the proceedings before the Pupil Placement Board, which shall be furnished to the petitioner by the Pupil Placement Board within ten days after request therefor upon payment of the costs of such transcript by the petitioner. Upon the filing of a petition for a review with the Governor, the Governor shall set the same for a hearing and within fifteen days after the petition has been filed with him, he shall file, in writing, his decision, enrolling such pupil in the school originally designated or in such other school as he shall deem proper. The written decisions of the Gov-

ernor shall set forth the findings upon which his decision is based.

§ 7. Any party aggrieved by a decision of the Governor under this act or any party defined as an interested party in § 6 may obtain a review of such decision by filing in the clerk's office of the circuit court of the county or corporation court of the city in the jurisdiction of which such party resides within fifteen days after such decision, a petition in writing, specifying the decision sought to be reviewed, and the actions taken by the Governor, together with a statement of the grounds on which the petitioner is aggrieved or by reason of which he is an interested party. The petitioner shall file with his petition a copy of the decision of the Governor and a transcript of the proceedings before the Governor, which shall be furnished to the petitioner by the Governor within ten days after request therefor upon payment of the costs of such transcript by the petitioner.

§ 7a. Any interested party, as defined in § 6 may, by petition, intervene for the purpose of making known and supporting his interest, in any proceeding for review of the Pupil Placement Board's decision instituted by an aggrieved party or by another interested party; and the court having jurisdiction of such review proceedings shall hear the evidence of as many interested parties, as defined in § 6, in any such review proceeding, as in its discretion it may deem proper, whether or not such interested parties shall have petitioned for such review or petitioned to intervene therein.

§ 8. Upon the filing of the petition the clerk of the court shall forthwith notify the Pupil Placement Board, requiring it to answer the statements contained in the application within twenty-one days, but failure to do so shall not be taken as an admission of the truth of the facts and allegations set forth therein. The clerk of the

court shall publish a notice of the filing of such application once a week for two successive weeks in a newspaper of general circulation in the county or city for which the court sits and shall, in addition, post the same at the door of the courthouse. The notice shall contain the name of the applicant and the pertinent facts concerning his application including the school he seeks to enter, and shall set forth the time and place for the hearing. The proceedings shall be matured for hearing upon expiration of twenty-one days from the issuance of the notice to the Pupil Placement Board by the clerk of the court and heard and determined by the judge of such court, either in term or vacation.

§ 9. The findings of fact of the Pupil Placement Board shall be considered final, if supported by substantial evidence on the record.

§ 10. From the final order of the court an appeal may be taken by the aggrieved party or any interested party, as defined in § 6, to the Supreme Court of Appeals as an appeal of right, in the same manner as appeals of right are taken from the State Corporation Commission.

§ 10a. An injunction proceeding may be brought in any State court of competent jurisdiction by the Commonwealth, or by any interested party as defined in § 6, for the purpose of restraining the performance of any act, or any intended or threatened act, which may be in evasion of, in disregard of, or at variance with, any of the foregoing provisions.

§ 11. Neither the Pupil Placement Board nor its agents shall be answerable to a charge of libel, slander or insulting words, whether criminal or civil, by reason of any finding or statement contained in the written findings of fact or decisions or by reason of any written or oral statement made during the proceedings or deliberations.
